

# TREDS 17" Slush Boots

*TREDS are more economical than cheap imports!*

**TREDS** LAST 6 TO 8 TIMES LONGER than cheap, yellow slush boots and synthetic rubber or pvc overboots, because **TREDS** unique latex natural rubber formula has superior physical properties:

- 4000 lbs. of tensile strength
- 210 lbs./inch of "trouser tear" strength
- 800% elongation

**TREDS** WON'T "BLOW OUT" ON THE JOB!

Super tough **TREDS** are almost impossible to puncture or tear. If damaged, the tear won't "run". We guarantee it!

**PATCHABLE TREDS** HAVE "9 LIVES".

If **TREDS** are punctured or snagged, turn boot inside out and apply a standard rubber patch or super glue.

**EASY TO PULL ON AND OFF!**

Stretchy **TREDS** pull on and off like a dream.

**"NO RIGHT - NO LEFT" - NO HASSEL!**

Unilast design eliminates "rights" and "lefts".

**BETTER FIT - LESS FATIGUING**

Buy **TREDS** to fit your workboot - not 3 sizes too big. Snug-fitting **TREDS** are almost 50% lighter than standard slush boots.

**SIZING: S(5-7) M(8-10) L(11-12)  
L/XL(13-14) XL(15-16) XXL(17-19)**

**TREDS** are the most puncture and tear resistant slush boots in the world because **TREDS** are molded from nature's strongest elastic material... latex natural rubber. You will be surprised and pleased how easily **TREDS** pull on and off and how comfortable they feel! The world's toughest jobs deserve the world's strongest boots... **TREDS**.
