

IRWIN®

Blades & Hole Saws

24030

MARATHON® Portable Corded Saw Blades

- Construction grade carbide teeth for longer life
- Reinforced shoulder for added durability
- Thin kerf for fast cuts
- Fully hardened plate runs truer, longer
- Vents reduce heat build-up and warping

24029C

MARATHON Cordless Saw Blades

- Ultra thin kerf for more cuts per charge
- Face ground carbide teeth for fast, clean cuts
- Aggressive hook angle for fast cuts
- Construction grade carbide teeth for longer life

21840

IRWIN® Steel Saw Blades

- Precision ground teeth for smooth, accurate cuts
- Fully hardened plate runs truer longer
- Heavy gauge, high carbon steel for extended life

372606

Wood Cutting

- Fast cutting for wood, composition material and plastic
- Use with materials 3/16" (5 mm) and thicker
- 6 TPI, available in 6" only

372656

Nail Embedded Wood Cutting

- Roughing-in work and nail embedded wood
- Use with materials 3/16" (5 mm) and thicker
- 6 TPI, available in 6", 9" and 12" blades

372610

Metal & Wood Cutting

- Cuts composition materials, plastic, pipe, carbon steel and stainless steel
- Use with materials 1/8" and thicker
- 10 TPI, available in 6", 8" and 12" blades

372614

Metal Cutting

- Cuts all metals including nonferrous pipe conduit, stainless and sheet metals
- Use with materials 1/8"-1/2" (3.2-13 mm) thick
- 14, 18 and 24 TPI available in 4", 6" and 8" blades

372966

Demolition

- For heavy duty and demolition applications in wood and metal
- Use with materials 3/16" (5 mm) and thicker
- 6 or 10 TPI, available in 9" only

Hole Saw Mandrels

373002

- Fits Hole Saws 9/16" to 6" Diameter
- Fits all IRWIN® Hole Saw Mandrels

4/6 Variable Pitch Bi-Metal Hole Saws

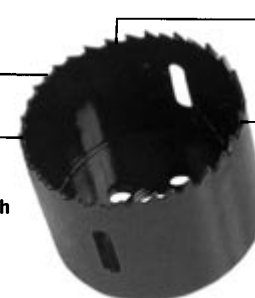

373218BX

- Super sharp teeth cut faster and dulls less
- Variable 4/6 pitch tooth design
- Available in sizes ranging from 5/8" - 6"
- Bi-Metal

Variable Depth Gullets
• Provide more efficient chip clearance

4/6 Variable Pitch Teeth
• For reduced noise and improved performance

Electric Beam Weld
• For stronger, longer lasting teeth

Bi-Metal Construction
• For toughness and long life
